Good day Comrades,

Happy New Year! Thanks to everyone who helped make the Commanders Brunch another successful event. Also, nice to see some new faces helping out along with our seasoned volunteers.

We are working hard to meet our membership goal this year, but still need your help. Please reach out to family and friends that may qualify to join. For every paid member you recruit you will receive a \$15 gift card to the bar. In addition, we have upgraded our online membership application to accept PayPal, making joining or renewing now easier than ever. See our website for more information.

We have also started a mentorship program to ensure new members have a mentor to help guide them through the process of joining our Post and ensure they become active. If you're interested in becoming a mentor please let me know?

We have a volunteer opportunity coming up on January 16th, 2016. Habitat for Humanity will be remodeling a needy Veterans house in Maple Grove. They are still in need of volunteers, simply follow the link below to sign up.

Also this spring we will be hosting the State Pistol Competition the morning of April 10th. Please sign up using the below link if you're interested. Would be great to have a nice showing from our Post.

Newsletter survey results are in. We received 38 survey results. Of those surveyed, almost everyone reads the newsletter monthly and most feel the content is very useful. We spend a lot of time creating these every month so it's nice to see that it's worth the effort.
