Good day Comrades,

We had a great Fall Conference and Pig Roast in September. Thanks to everyone who helped out to make the Pig Roast another successful event. Once again we were also well represented at Fall Conference and members from our Post taught key classes in technology, mentorship, and Veterans and Military Support. Now with October here it's time for Booya and Member Dinner. These are both great events that I look forward to every year.

Free Flu Shots for Veterans – Walgreens has agreed to provide free flu shots for Veterans on October 17th from 1300 to 1500 at Palmer Lake VFW. Just show up during that time with proof of service.

Calendar Sales

Once again we will be selling Department of Minnesota raffle calendars. They make great Holiday gifts and go to a good cause. Calendars can be purchased at the bar for \$20.

Member Dinner – Register by October 15

Our annual member dinner will be Sunday October 30. Please check out the below link for more information and to register for the event. www.palmerlakevfw.com/member_dinner

Online Store

I'm excited to announce an online store option to purchase PLVFW merchandise. We will have sample items to look at in the bar, but all items will need to be ordered online. Remember that our logo represents our All-American status and our iconic memorial. Wear it with pride and promote our brand!

Comrades,

What can be done about those millionaire athletes that refuse to honor the flag of our country?

I would make them spend a week walking in our National Cemeteries. Let them see how many gave all they could so all of us could be free. Maybe we should stop going to their games or watching them on T. V. I'm sick and tired of those who defend them. I'll bet they never had boots on the ground!.

Gentlemen,

Thanks to everyone that pitched in for this years pig roast! It was great to see so many volunteers working together!

Booya is next Saturday, October 10! Please remember to share this event with everyone you know! Dave rarely runs out of food, but let's spread the word and see if we can sell out by 5PM!

I recently met with a gal who is trying to start a not for profit to help veterans that are struggling with neck and back pain. She wants to do this at no charge to the veteran. She is looking for a few veterans to participate in a four month study, twice a week, for about an hour each visit. If any of you know someone who may benefit from her study, please contact me at mike@wefixblinds.com. I was able to try the workout and it was awesome!

Remember to sign up by October 15 for the member dinner to be held on Sunday, October 30.

Have a safe and Happy Halloween!
